### ABOUT

João Frederico Limpo Franco Gil | 24.03.1985

My name is Frederico Gil and I'm a professional tennis athlete. I started playing when I was 4, at home, since then it has been my passion.

A life and a career full of learning, hard work, success and experiences, that make me who I am. I turned pro when I was 18 and I've been playing the ATP World Tour.

I fight everyday to exceed myself, to reach my goals and to make my dreams come true.
